#### Link Service

In line with the Ministry of Youth Affairs' commitment to enhancing communication efficiency and facilitating procedures for beneficiaries, the "Link Service" allows users to schedule a meeting with the relevant departments, either in person at the Ministry's headquarters or virtually via video conference.

## Link Service

### OVERVIEW

In line with the Ministry of Youth Affairs' commitment to enhancing communication efficiency and facilitating procedures for beneficiaries, the "Link Service" allows users to schedule a meeting with the relevant departments, either in person at the Ministry's headquarters or virtually via video conference. This service aims to provide flexible communication options that suit the needs of individuals and institutions, enabling them to discuss their requests and follow up on their matters easily and efficiently. It reflects the Ministry's dedication to offering integrated digital and organizational solutions that enhance service quality, improve user experience, and strengthen effective communication with the public.

### RELATED DIRECTORATES

#### Youth Enabling Directorate

The Youth Enabling Directorate at the Ministry of Youth Affairs provides young people with the opportunity to directly communicate with its specialized team for inquiries or to book an appointment in the following areas:

- The services and programs offered by model and specialized centers across various developmental fields.
- Discovering, refining, and showcasing youth talents, as well as supporting their journey in creativity and innovation.
- Establishing local and international partnerships and collaborating with youth-supporting organizations and institutions to empower them regionally and globally.
- Representing the Kingdom of Bahrain abroad through participation in international youth delegations and events.
- Conducting studies and research that contribute to the development of youth-oriented programs and initiatives, enhancing their impact on the community.

Young people can contact or book an appointment with the Directorate to learn more about the available services and opportunities that contribute to their empowerment and strengthen their presence locally and globally.

#### Support and Services Directorate

The Support and Services Directorate at the Ministry of Youth Affairs provides young people with the opportunity to directly communicate with its specialized team for inquiries or to book an appointment regarding the following procedures:

- The process for registering and establishing youth centers and associations.
- Opportunities for coordination and collaboration with Youth Empowerment Centers and youth associations.
- Meetings with the boards of directors of youth centers and associations.
